

### **Wednesday 13th October 2021 - Exhibition and Public Meeting**

During the January 2020 Parish Council Meeting Chairman Peter Miller suggested that the Village should consider preparing a Neighbourhood Plan and outlined the process. Councillors were provided with a “Neighbourhood Plan Roadmap – a step by step guide” for review and future discussion.

Soon after this the Coronavirus pandemic prevented any significant progress until June 2021.

During the afternoon of Wednesday 13<sup>th</sup> October 2021, a Public Exhibition and Open Forum was held in Westerfield Village Hall, followed by a Public Meeting in the evening.

The village has started the preparation of our Neighbourhood Plan!
