

June 2022 Update

As mentioned within the Westerfield Neighbourhood Plan questionnaire, if you provided us with an email, we will keep you up to date. In addition, this group will be used, as the village email, for what is happening within the village.

A meeting was held with our consultant Ian Poole recently, to determine next steps. There are two areas being focussed on: Ian Poole will be creating a draft Neighbourhood Plan, based on the results of the questionnaire, planning policies, landscape appraisals, wildlife appraisal and other related work. The working group will be focussed on village aspirations and the community projects, for example, traffic calming, film / movie night. Many photographs have been taken recently, in and around the village. More will be taken of views, looking into the village or looking out towards Ipswich, to be included with the Neighbourhood Plan. The current aim is to produce the draft plan, by end of August.

If you have any questions or comments, please do not hesitate to get in touch.

Best wishes

Westerfield NP working group
