**Present:** Mary Pluquet, Peter Miller, Charlotte Cook, John Dunne, John Barber, Michael Noble

On 6<sup>th</sup> March Ian Poole (Consultant) provided a comprehensive list of his “Proposed Plan Changes” relating to the **Pre-Submission Draft Plan** comments received from Parishioners (Villagers) and other Consultee responses.

This was circulated to all members of the Working Group and formed the main topic of discussion.

Two specific areas of the draft plan were discussed as specifically requested by IP. These were the ‘Aims and Objectives’ and ‘Community Action 9 - Westerfield Station and Crossing.

The Local Green Space designation, land east of B1077, was discussed at length.

Changes highlighted for consideration by Group Members present and those submitted by absent Members were then discussed.

MP will collate all amendments suggested and queries for IP and forward these to him.

The three Parish Council members present requested a meeting at the end of April to sign off the changes rather than this being included in the Parish Council meeting in May.
